## THE RECOVERY OF A FATHER'S HEART

**Luke 15:22 "But the Father said to his servants, 'Fetch a good coat quickly--the best one--and put it on him; and bring a ring for his finger and shoes for his feet. (representing the emotional warmth to heal).**

All across the world today, an untold number of fathers are pursuing financial success., business is booming, employees are serving their dreams. So little time is spent with our sons at home, that they have

only our prosperity to fill the deep holes in their heart.

**JESUS** told the sad story of a situation, between a father and his son. This father's relationship with his son 'broke down' And it is not even clear who's fault that was, but the young son decided to go for money, and liberty from the home base.

**Luke 15:11-13 And He said, A certain man had**

**two sons: And the younger of them said to his father, Father, give me the portion of goods that falls to me. And he divided unto them his living.**

**And not many days after the younger son gathered all together, and took his journey into a far country....**

You probably know the rest of the story, but as a father, myself, I am focusing on **the Father's Loss** here, not the son's independence. While we focus on prosperity, our sons are coming of the age of independence and springing out from the Estate we have built.

Often, we spend more time with our first born, but less time with younger sons and daughters.

And they can grow up restless for the world outside. We tend to convince ourselves everything at home is fine, after all they have their Mother, maybe.

**But it is largely the Parental responsibility Of The Father to prepare his sons/daughters for the challenges of the outside world., before they are grown up and gone out "into a far country", and need us no more...**

Absence makes the heart grow fonder, and the father's heart grew to miss his son, with longings that only Father GOD can fully understand, as He waits for the returning of His distant sons!

**As With Father GOD, Relationship is all! Even so it is between a Man and his sons and daughters!**

**Please Communicate!**
