## ABRAHAM, ISAAC, JACOB / **ISRAEL & The Promised LAND**

Let us look at Ancient History of 'The Land' that All Nations Fight Over.  
**First the Provident Lineage:** Abraham Was Called out of UR (now a part of Iraq) and Sent— By **Thee LORD GOD YAHWEH** - (Thee Name, GOD Gave of Himself, to The Patriarchs) —to A Land **YAHWEH THE LORD GOD** Called, and Designated to Abraham, as "The Promised Land".

**The Creator GOD 'Elohim / YAHWEH'** - (Called This One Land, 'The Land Promised' to Abraham and his heir. A Son of Abraham, By Sarah, - (Isaac) - was Also Promised Heir to Abraham.

Yes Abraham had Two Sons, between the age of 86 to 99. The first son, Ishmael, with Hagar, the Egyptian Maid. Sarah, His Wife was Then still barren).

**So First**, he, Ishmael, Was Conceived by Hagar, Sarah's Egyptian house keeper. Whom Sarah herself, had asked Abraham to bear, for Her. (Genesis 16:2). (and Yes, this was an Ancient Cultural Custom Allowed to the barren wife in those days).

But **GOD Had Already Promised Abraham a Son By Sarah**, Yet Abraham was already 86 at this time, and had already been in Canaan (**The Promised Land**) for 11 Years Without The Heir Promised, being born in his household., To Inherit his "Promised Land."

So Abraham was willing to make Ishmael his Heir, being his firstborn. So both Abraham and Ishmael (age 13) - were Circumcised, in Obedience to YAHWEH GOD'S Command to him.

Not Until Abraham was 100 years old, was his Son, Isaac, was Born Of Sarah, Abraham's only Wife who was 90 years

old at that time. As Promised, GOD made Sarah 'laugh'. Isaac means Laughter! (Genesis 21:6).

Isaac would grow up As 'The Promised Heir' Of The Promised Land.

Later Isaac and his Rebecca would start their Family and She bore him Twins. Two Nations in that one Womb. (Genesis 25:22-26) Esau and Jacob., from the Same Father and Mother Although Esau came out of the womb first. When he was a man, Esau came in from the Field hungry, and sold his Birthright to Jacob, his brother.

**The Angel of , YAHWEH THE LORD**, Struggled with Jacob, but Jacob fought For his ground till his hip was put out of joint. Then **THE LORD** Blessed Jacob and Changed his Name to **Israel**, Meaning, You have Striven With GOD And With Men, —and Have Prevailed. Genesis 32:28.)

Because of a Severe Famine, **Jacob/Israel** would travel down to Egypt, With 11 Sons 1 Daughter, and their families. There were only 70 who Went down as family, And They Would Multiply into The 1.5 Million Nation **Israel**, in Goshen, Egypt. With **Joseph**, **Israel's** 12th Son, as Co-ruler to The Egyptian Pharaoh.

This Pharaoh Loved Joseph, because Joseph, by the Wisdom given to him, By **YAHWEH THE LORD GOD**., This Joseph was

able to Save, both Egypt and the known World, from Starving.

Therefore Pharaoh, when he heard that the Family of 70 Hebrews was also Joseph's Family from Canaan, He Told Joseph to Give Jacob/Israel the very best of Egypt's Land for their flocks and families to Dwell in.

For over 400 years **Israel** Multiplied, so much so, that Pharaohs began to Fear **The Nation Israel**, within it's country. So in time A Pharaoh rose up and Enslaved **Israel's** whole Nation under bondage in Egypt.

Also, Pharaoh commanded that all the Male babies born to **the Hebrews** should be drowned in the river.

One **Hebrew** couple put their baby in a weaved basket, covered him in the bulrushes. (Baby **MOSES** Was spared by a member of The Pharaoh's own family, so that Moses grew up in Pharaoh's house.)

Moses grew up to take on the burden for **his Hebrew Nation**, So Enslaved in Egypt. **YAHWEH THE LORD GOD**, met Moses at the Burning Bush (Exodus 3:6) and Commanded him to go back to Pharaoh, after 40 years in the wilderness. Moses was hesitant, so **GOD** told Moses to have Aaron, his brother help him. Moses confronted Pharaoh and because of Pharaoh's unwillingness to Release **the Hebrews**, 10 Plague's fell on Egypt.

Finally Pharaoh was defeated and **Moses** led the **Hebrews** to Sinai, Received **THE LAW From GOD**, and Led them within View of Canaan, **THE LAND PROMISED TO ABRAHAM'S Hebrew Nation**. **GOD RAISED UP JOSHUA** TO CONQUER THE LAND.
